**Incident Narrative 1 05/03/2024 18:57**

**Reporting CHIEF AARON WOODRUFF - ISU, ID # 128**

The following is a summary of an incident which occurred on 5/3/24 resulting in the arrest of seven individuals on the Illinois State University campus, a state supported property. During portions of this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the incident. The items discussed may or may not be written in the order they appear on my BWC or in other recordings. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage and other relevant video to be attached to this report.

On 5/3/24, at approximately, 10:18 AM, I was notified that a group of six protestors had entered the 4th floor of the university's administration building, Hovey Hall, and were asking to speak to the University President. The protestors were holding pro-Palestinian signs and appeared to be some of individuals who had been protesting on the ISU Quad since 4/30/24. The President spoke with the individuals for several minutes and eventually agreed to meet with them in a conference room nearby. I was also informed [REDACTED] [REDACTED] the same group members on the ISU Quad openly discuss their intent to get arrested prior to their entry into Hovey Hall (see [REDACTED] supplemental report).

At approximately 11:07 AM, the group exited the conference room and sat on the floor of the hallway with their protest signs, backpacks, and other items. Throughout the day the group remained in the hallway but did not block ingress or egress and were otherwise non-disruptive. Additional protestors came and went throughout the day and other supporters were observed delivering food and beverages to the protestors.

During the day, staff working in the area, reported overhearing members of the group openly discuss the desire to be arrested and forcibly removed from the building. At approximately 2:00 PM, a local media outlet posted an online story after interviewing the group in the hallway. The following excerpt was taken from the article:

"Aidan Marcikic, a junior psychology major, said the group wanted to make their voices heard firsthand by administration. "Essentially, the core group of people here today believe that it was time to escalate our protest beyond the camp that we had set up," Marcikic said. "And the way to do that was talking to the president directly, and making sure that our voice is heard and our concerns with the genocide are heard." Marcikic said that SJP wants to make sure that Tarhule is reminded and consistently informed about the group's position, even if it means days. "If we stay overnight, we will stay overnight. That's part of the plan. If they make us leave, then that's what's going to have to happen," Marcikic said. "So either way, we're staying here until we are forcibly removed or our demands are met."

At approximately 4:09 PM, some protestors began collecting the backpacks and belongings of the seven primary individuals who were remaining in the hallway. It appeared like the group was transferring their personal belongings to others in preparation for arrest.

Based on the open conversations by the group about their desire to be arrested, and their comments made to the media, I requested members of the Demonstration Safety Team (DST) to be activated to help attempt to mediate a peaceful outcome. The DST is comprised of university administrators who volunteer to help ensure demonstrations on campus occur in a safe manner and follow University policies and procedures.

At approximately 5:30 PM, ISU administrators/DST Members Donald Reed, Bill Legett, and Jill Benson approached the group later identified as Steven Lazarov, Jomareun Richardson, Aidan Marcikic, Kevin Dion, Jo Boedefeld, Daniel Kimball, and Rebekah Mangels in the 4th floor hallway. Another individual with a camera was present at that time ([REDACTED]). A news media reporter was also present.

Reed and Legett informed the group the building would be officially closing at 6:00 PM and they would not be allowed to remain inside. They advised the group of University Policy 6.1.1 on Facility and Space Use and attempted to provide everyone present with copies of the policy. Reed and Legett cited sections (C)6 which states, "Occupy without authorization a building when it is normally closed or when individuals are not otherwise authorized to be there" and section (C)9 "Continue to engage in behaviors prohibited in this section after a University official or University Police has declared that the conduct violates University policies or an applicable law and has instructed the participants to modify or terminate their behavior."

Reed and Legett further advised that if they failed to leave the building at 6:00 PM, they would be issued [REDACTED] [REDACTED] trespassed, and subject to arrest. Benson publicly audio/video recorded the interaction with the group to document the notification process. The DST members left the area and the protestors remained in the hallway.

At approximately 5:50 PM, Reed, Legett, and Benson returned a second time to remind the group of the potential policy violations if they chose to remain in the building with Benson recording the notification with audio/video. The media reporter and [REDACTED] left the building at this time. The protestors remained in the hallway after the DST members left the area.

At approximately 6:00 PM, Reed, Legett, and Benson returned a third time to warn the protestors the building was closed and if they did not leave, they would be [REDACTED] arrested. Legett attempted to provide the group with [REDACTED] but the group members refused to accept it. This final notification was also audio/video recorded by Benson.

At approximately 6:05 PM, ISU Dean of Students Andy Morgan, approached the group on the 4th floor, with Benson recording. Dean Morgan began issuing each person a [REDACTED] trespass notice for University property. Lazarov, Richardson, Marcikic, Dion, Boedefeld, Kimball, and Mangels, each received a copy of the [REDACTED] trespass notice. Dean Morgan advised the group they should leave the building to avoid arrest. However, the protestors remained in the hallway.

At approximately 7:00 PM, I entered the 4th floor of Hovey Hall and approached the group. I identified myself and reminded them they had been warned several times that the building closed at 6:00 PM and they needed to leave. I asked them if there was anything I could say or do to gain their cooperation to have them exit the building. Mangels asked for the University to “divest” (referencing their demand for the University’s divestment in any direct or indirect funding that supports Israel). I advised them that was out of my control. I again asked if there was anything I could say or do to have them exit the building to avoid arrest. The group responded by shaking their heads no. I signaled for officers to enter the hallway and make the necessary arrests (see the supplemental reports).

All seven individuals were safely escorted to two Bloomington Police transport vans and taken to McLean County Jail to be charged with Criminal Trespass to State Supported Property.

**Supplemental Reporting OFFICER WILLIAM JOHNSON - ISU, ID # 192**

This supplemental report was generated to document my assistance in the arrests at ISU's Hovey Hall. See Chief Woodruff's original report for more information.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

On Friday, 5/3/2024, at approximately 1900 hours, I arrived at ISU's Hovey Hall to assist with a detail of individuals trespassing on ISU property. I stood by in the south stairwell waiting for Chief Woodruff to give the command to enter the fourth floor of Hovey Hall.

At approximately 1901 hours, Chief Woodruff gave the command to enter for the arrests. I walked in and placed Kevin A. DION (UID [REDACTED]) into properly fitted, double locked handcuffs. I then completed a custody search of his person yielding no contraband. I escorted Dion out to Bloomington PD vans outside to be transported to McLean County Jail.

This ends my involvement with this report.

## **Supplemental Reporting OFFICER TYLER CREAMEAN - ISU, ID # 190**

On 05/03/2024, at approximately 1851 hours, multiple Illinois State University (ISU) Police Department, Normal Police Department, and Bloomington Police Department officers responded to ISU's Hovey Hall for a group of individuals who were inside the building after hours and after being notified, multiple times, by ISUPD personnel (including ISUPD Chief Woodruff) as well as other ISU staff members that they needed to leave. It should be noted, the building closed at 1800 hours. The individuals were inside the building and refusing to leave as part of an ongoing protest at ISU's campus due to an unrelated incident.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

Upon my arrival, we were informed by ISUPD command staff to arrest the group of individuals as they had already been given ample opportunities to vacate the building and were continuing to refuse to do so. After this, at approximately 1901 hours, I placed ISU student Jomareun J. RICHARDSON (UID# [REDACTED]), who was one of the individuals belonging to the group, into handcuffs (checked for fit, double locked). I also completed a custodial search of Richardson, yielding no contraband.

After this, I escorted Richardson outside of the building where he was transferred over to the custody of Bloomington Police Department officers who later transported Richardson to the McLean County Jail.

Richardson was later booked into the McLean County Jail by ISUPD Officers Arjona and Rivera.

See ISUPD Chief Woodruff's initial report as well as all other supplemental reports for other officer's involvement and more information.

This concludes my involvement in this incident.

**Supplemental Reporting OFFICER JOSHUA LAW - ISU, ID # 191**

On 05/03/24, at approximately 1851 hours, I responded to ISU Hovey Hall for seven individuals refusing to leave the building after closing.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

Upon arrival, at approximately 1855 hours, I went to the fourth floor where the individuals were conducting their "sit-in" protests. Multiple officers including myself, staged in the south stairwell on the fourth floor and waited for the command to arrest. While we were staged, Chief Woodruff addressed the protestors and made a last attempt to get them to leave voluntarily, which was ultimately unsuccessful. At approximately 1901 hours, Chief gave the command to arrest and I put ISU student, Daniel KIMBALL (UID: [REDACTED]) into custody. I conducted a custodial search of Kimball, yielding no contraband. I then escorted Kimball downstairs to the lobby and then out to a Bloomington Police Department custodial transport vehicle.

This concludes my involvement in this report.

**Supplemental Reporting OFFICER JODI MAHASI - ISU, ID # 199**

On 05/03/2024, at approximately 1900 hours, I assisted on an arrest detail at ISU's Hovey Hall. At approximately 1901 hours, I placed Joyful E. BOEDEFELD (UID- [REDACTED]) in properly fit, double-locked handcuffs and conducted a custodial search, yielding no contraband.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

Detective Blecha had placed Rebekah MANGELS (UID- [REDACTED]) in properly fit, double-locked handcuffs. I conducted the search on Mangels at approximately 1902 hours, as Detective Blecha is a male officer. This search yielded no contraband. After this, I escorted Mangels down to the east entrance of Hovey Hall, where she was released to the custody of the Bloomington Police Department to be transported to the McLean County Jail.

At approximately 1940 hours, I went back to Hovey Hall to conduct a final walkthrough of the building and make sure the building was secure.

This concludes my involvement in this case.

## **Supplemental Reporting SERGEANT JEFFREY LYNN - ISU, ID # 168**

On Friday, 05/03/2024, at approximately 1900 hours, I was in Hovey Hall as part of an arrest detail for individuals refusing to leaving the building. (See Chief Woodruff's original report for further details).

During this incident, I was equipped with a Body-Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

At approximately 1901 hours, I entered the fourth floor and immediately approached a male later identified as Aidan Marcikic (UID [REDACTED]). I placed him into handcuffs, checking them for proper fit and double locking them. I then escorted Marcikic out of the building and released him into the custody of assisting Bloomington Police Officers, who then conducted the transport to McLean County Jail.

This ends my involvement in this case.

**Supplemental Reporting OFFICER KAYLA ROYSE - ISU, ID # 201**

On 05/03/2024, at approximately 1851 hours, multiple local departments (ISU, Normal, and Bloomington) were dispatched to Hovey Hall for a group of individuals who were inside the building after closing hours. Hovey Hall closes at 1800 hours. The individuals were inside of Hovey Hall due to a protest that was unrelated to ISU.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. The items discussed may or may not be written in the order they appear on my BWC. The words I have chosen for this report may not be the exact words used by the involved parties. I have not reviewed my BWC video prior to writing this report. I have requested my BWC footage to be attached to this report.

Upon my arrival, we were informed by ISUPD command staff to arrest the group of individuals as they had already been notified multiple times, by both ISUPD personnel and ISU staff to leave the premises. At approximately 1901 hours, I placed Steven F. LAZAROV (non-affiliated), one of the individuals involved in the group, into handcuffs which I checked for proper fit and double locked. I conducted a custodial search of Lazarov which yielded no contraband.

After this, I escorted Lazarov outside of the building where he was transferred over to the custody of Bloomington Police Department officers who later transported Lazarov to the McLean County Jail.

Lazarov was later booked into the McLean County Jail by ISUPD Officers Arjona and Rivera.

See ISUPD Chief Woodruff's initial report for further details, as well as other officer's supplements for their involvement.

This concludes my involvement in this incident.

**Supplemental Reporting OFFICER WILLIAM JOHNSON - ISU, ID # 192**

This supplemental report was generated to document the issuance of Daniel L. KIMBALL's (UID [REDACTED]) [REDACTED] See Chief Woodruff's original report for more information.

During this incident I was equipped with a Body Worn Camera (BWC). For clarity and brevity, I have paraphrased and summarized the following incident. At approximately 1718 hours, Officer Law and I spoke with Kimball at [REDACTED] in Normal. I explained to Kimball I had a letter [REDACTED]. I read the letter to him and asked if he had any questions. He asked if someone else could gather his belongings. I stated no, it would have to be him and would need to contact ISUPD before due to his no trespass. Kimball stated he would contact ISUPD at a later time.

I returned to ISUPD, scanned, uploaded, and attached the Housing letter to this report.

This ends my involvement with this report at this time.

## Supplemental Reporting

On 05/03/2024, [REDACTED]

While on the Quad, [REDACTED]

[REDACTED] I overheard Jo Boedefeld DOB [REDACTED] (pink colored hair) and several of the others who were later arrested, telling the volunteers that the encampment was not drawing enough support for the cause. Boedefeld said the plan today (5/3/24) was to be arrested and draw media attention.

At approximately 1007 hours, I relayed this information to Chief A. Woodruff.

This concludes my involvement in this incident.

## **Supplemental Reporting DETECTIVE MATTHEW BLECHA - ISU, ID # 156**

On Friday, 05/03/24, at approximately 1100 hours, I was requested by Chief Woodruff to go to the fourth floor of Hovey Hall, to monitor the individuals who were protesting current world affairs and were in possession of pro-Palestinian signs (see Chief Woodruff's original report for further details).

Upon arrival, I went to an unoccupied office down the hallway from where the protestors were seated and was out of sight from them for the duration of my time in Hovey Hall. While listening to them talk amongst themselves, I heard on several occasions the group talk about ISU supporting "genocide" and how they couldn't understand how President Tarhule could be in support of this. The group spoke about staying past the buildings scheduled hours and not caring if they went to jail for "the cause". Due to being out of sight from the group, I was unable to specifically identify which individuals made which specific statements.

I was relieved by Detective Hice at approximately 1240 hours and returned to ISUPD.

At approximately 1715 hours, I met with the ISU Demonstration Safety Team (DST) and accompanied them to Hovey Hall. Upon arrival, the DST went to the fourth floor to make contact with the group, while I maintained a position at the east entrance doors. I observed the DST go from the first to the fourth floor on several occasions to speak with the group.

At approximately 1900 hours, I went to the fourth floor to assist in the potential arrest of the group and hear Chief Woodruff make a final contact with the group. Chief Woodruff asked if there was anything which could be said or done to prevent them all from being arrested at this time and the group all shook their heads no, indicating they would prefer to be arrested then leave the building.

At this time multiple officers responded and began placing the individuals in handcuffs. I assisted and instructed ISU Student Rebekah MANGELS (UID- # [REDACTED]) in properly fit, double-locked handcuffs. Ofc. Mahasi conducted a custodial search on Mangels, which yielded no contraband. Ofc. Mahasi escorted Mangels down to the east entrance of Hovey Hall, where she was released to the custody of the Bloomington Police Department to be transported to the McLean County Jail.

This concludes my involvement in this case.
