CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

This report is a summary of this incident and is not verbatim. This incident was captured on my department-issued body-worn camera and in-car fleet camera. Refer to my tagged camera footage for a verbatim account.

Let it be noted I was operating a fully-marked squad car 516 and wearing a department-issued body-worn camera.

On 03.18.2024, at approximately 0455 hours, working 3A04, I (Officer Ward #1287) was stationary at 2700 W. Malone, facing eastbound. I observed the listed Honda Pickup truck (IL [REDACTED] 5 ILCS [REDACTED]) parked in front of 2700 W. Starr, which I knew to be a place where patrons conduct illegal narcotic activity. I could see the listed vehicle pull away from the curb without signaling (IVC violation). I activated my in-car camera to capture the previously mentioned IVC on camera.

I turned south on Ligonier and east on Latrobe, where I observed the listed vehicle turn north on Griswold and fail to activate its turn signal (IVC violation). I then turned north on Griswold, where I observed the listed vehicle turn east on Starr and fail to activate its turn signal (IVC violation). At this time, I was still attempting to catch up to the listed vehicle so I could read/run the plate. I observed the car increase its speed and then decrease its speed.

Once at the intersection of Starr/Western, I observed the listed vehicle enter traffic at this time, almost striking a white sedan/car driving southbound Western passing star who had the right away (IVC Violation); I also observed the listed vehicle fail to activate its turn signal when it turns on Western from Starr (IVC Violation). I also observed the listed driver look at my full-marked PPD vehicle through the rearview mirror. At this point, I activated my red and blue overhead lights, indicating a traffic stop.

The vehicle continued driving northbound Western at a high speed, disregarding my red and blue emergency lights. I sounded my siren to get the listed vehicle to stop, with negative results. It was apparent the listed vehicle would not stop, so I deactivated my overhead emergency lights and terminated the pursuit.

I could still see the taillight and observed the vehicle turn right; at the time, what I thought to be eastbound onto Lincoln from Western. As I approached Lincoln/Western, I observed the listed vehicle parked in the parking lot of Da Catch on Western.

I reactivated my overhead light and approached the vehicle's driver's side. Due to the erratic behavior, including attempting to flee initially, I believed Childers (Sole occupant) might've been intoxicated, so I requested the Childers(W/M, dressed in a black shirt with blond hair) to exit the vehicle. Childers did not comply.

At this time, due to his uncooperative, I unholstered my department-issued firearm, pointed it in the direction of Childers, and told him to exit the vehicle. It was at this time Childers produced a black compact-style gun and pointed it at me. I retreated to the car's rear, radioed (10-32), and Childers took off westbound out of the parking lot, northbound Western, then eastbound Callender out of sight. Dispatch advised the vehicle was last seen westbound on I-74, passing the Gale exit.

I responded to [REDACTED] 5 ILCS [REDACTED] and spoke with a female (later identified as [REDACTED] 5 ILCS [REDACTED]) who Childers had just dropped off minutes before I attempted to stop him. [REDACTED] 5 IL reported [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly

5 ILCS 140/7(1)(c) was able to provide me with a recent phone number for Childers.

It should be noted that I had eyes on the vehicle from the initial IVC violation. I attempted to contact the Leighton Alabama Police Department, where Childers has or once had an address from VIA LEADS/NCIC. I have yet to hear back at the completion of this report.

I request the listed vehicle be impounded per city ordinance (Fleeing attempted to elude/Guns).

I request when Childers is located, he be issued the following citations:

- 1. Failure to signal x4.*
- 2. Failing to yield right away.*
- 3. Reckless driving.*

The listed vehicle was asked to be put into FLOCK. Also, an Officer safety message was disseminated via department email and LEADS.

A 49 template was completed and forwarded to ECC supervisors.

I was able to locate a prior incident (24-04007) 03/01/2024, where Ofc. Ruddle came into contact with Brian Childers at 2218 N. Flora. I was able to identified Childers via side profile from this video.

I request this incident be review by CID.

CASE SUMMARY:

ASSIST SID MEMBERS, 49 SUBJECT TAKEN INTO CUSTODY.

Assigned to the Special Investigations Division/Street Crimes Unit. Wearing plain clothes with PPD badge. I was driving PPD covert vehicle #985, not equipped with audio/video recording equipment.

For more information refer to original report, supp. reports, and PPD BWC video footage. Summary of events and not verbatim. Events may not be in chronological order.

On 03-18-24 at approx. 0930hrs, SID Officers were briefed by CID in regards to this investigation. Brian Childers had probable cause for arrest, Agg. Assault Police Officer/Traffic related Offenses. For more information refer to original and supp. reports.

At approx. 1005hrs, SID Officers were informed by CID that Childers had been staying at the Par-A-Dice Hotel room 509. For more information refer to CID supp. reports.

SID Officers responded to the area of the Par-A-Dice Hotel and checked the parking lots for the black Honda Ridgeline IL registration [REDACTED] 5 ILCS negative findings.

Ofc. Russell/myself went inside Par-A-Dice Hotel to verify the hotel information (plain clothes). We made contact with [REDACTED] 5 ILCS 140/7(1)(c) - employee at the front desk. [REDACTED] 5 ILCS verified that Childers was registered to room #509.

[REDACTED] 5 ILC stated [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - [REDACTED] 5 ILCS stated [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly As I was finishing talking to [REDACTED] 5 ILC an unknown white male wearing a do-rag on his head, tan shoes, blue pants, blue shirt, and outer dark color coat came to the desk. Ofc. Russell left the hotel, I made contact with Lt. Sylvester to give him a back brief while standing in the outer vestibule hotel lobby area. I then returned to the front desk to give [REDACTED] 5 ILC a business card. [REDACTED] 5 ILCS then stated [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly. I notified SID Officers that Childers just exited the hotel. Childers was observed by SID Officers standing next to a black Harley Davison motorcycle, IL registration [REDACTED] 5 ILC.

At approx. 1034hrs, SID Officers made contact with Childers as he was walking back towards the main hotel doors. SID Officers identified themselves as the police and gave Childers numerous commands "POLICE, DON'T MOVE, UNDER ARREST, GO TO THE GROUND". Ofc. Russell, Ofc. Cowan, Ofc. Redpath were wearing plain clothes with black outer vest carrier with the words "Police" affixed to the front/rear and PPD BWC. I did not have time/opportunity to dawn my outer vest carrier with PPD BWC that was in my covert PPD vehicle parked in the outer parking lot area. Due to Childers' possibly being armed, I immediately drew my firearm and pointed it directly at Childers. I requested East Peoria Officers to respond via dispatch. Eventually Childers complied to commands. Childers was handcuffed/detained without further incident. Childers was in possession of a handgun, meth, and drug equipment. For more information refer to supp. reports. I was then able to retrieve my outer vest/PPD BWC. Childers was transported by Sgt. Lane to the PPD and turned over to CID. The motorcycle was towed by Mr. Towit's Towing to the PPD for a pending CID search warrant. I followed the tow to the PPD and it was secured in the CSU sally port.

SID/CID then secured the Par-A-Dice Hotel room 509 for a pending CID search warrant. Refer to supp. reports for more information.

PPD BWC video footage flagged.

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

On listed date, I was informed the suspect in this case, Brian Childers, was using the phone number [REDACTED] 5 ILCS [REDACTED]. Using Accurant Trax and Accurant for Law Enforcement I was able to confirm the phone number [REDACTED] 5 ILCS [REDACTED] was a phone number supported by Verizon Wireless. I then drafted a preservation of records request for records pertaining to the phone number [REDACTED] 5 ILCS [REDACTED] which I then submitted to Verizon Wireless via electronic mail.

I was later informed by Sgt. Johnston that the suspect, Childers, had been taken into custody by members of the PPD SID. I was informed Childers was taken into custody at the Par-A-Dice Hotel and Casino in East Peoria. I was additionally informed that Childers had been renting a room at the Par-A-Dice Hotel and Casino (room # 509) at the time of his arrest. I then drafted a search warrant for both room # 509 and Childers Harley Davidson motorcycle which was towed from the hotel to the PPD Crime Scene Unit.

I later presented the search warrant to the honorable Judge Cordis who reviewed and signed the search warrant at 1156 hours.

I later placed a copy of the signed search warrant into Childers property which would accompany him to the Peoria County Jail.

Detective Rodgers and Cox executed the search warrant on the hotel room after the search warrant had been signed (see supplemental reports for details).

Investigation continues.

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

On 03/18/2024 I was assigned to the Special Investigation Division as 1B93. I was dressed in plain clothes while wearing a black outer vest carrier with "POLICE" across the front and "US MARSHALS FUGITIVE TASK FORCE" across the back. I was driving an unmarked USMS vehicle.

At approximately 0930 hours, SID officers were briefed in the SID office in regards to this incident. SID Officers were informed that Officer Ward had conducted a traffic stop at approximately 0430 hours where the driver of the vehicle produced a firearm and pointed it at the officer. Information was relayed that the suspect driver was identified as Brian Childers (12/15/79) and was driving a black Honda Ridgeline. Childers, nor his vehicle, had been located at the time of the briefing. SID officers were tasked with locating and apprehending Childers.

While looking for the Honda Ridgeline, SID received information from detectives that Childers had been staying at the Paradise Hotel in East Peoria, IL. I responded to the hotel and checked the lot but the Ridgeline was not in the lot. Sgt Leach and I went inside the hotel and spoke to the hostess who advised that Childers was staying in room 509 and was scheduled to check out at 1100 hours. While speaking to the hostess, a male came into the lobby and walked to get coffee. He then stood in line behind us. This male was later identified by the hostess as Brian Childers. Once done speaking to the hostess, I returned to my truck and immediately reviewed a photo of Childers due to the close resemblance of the male I observed in the lobby. Moments later, Childers exited the hotel and began walking along the side of the business. While looking through Childers through binoculars, Sgt Leach indicated via radio that the hostess had confirmed to him that the male we had observed was Childers. Sgt Leach directed SID officers at the hotel to take Childers into custody.

Ofc Cowan, Ofc Redpath and I converged on Childers in the parking lot at approximately the same time announcing for him to put his hands up. Childers initially did not comply with our orders to go to the ground and remained on his feet. Childers eventually put his hands up then went to his knees where he was handcuffed by Ofc Redpath and I. Ofc Cowan indicated that Childers had a firearm concealed in the small of his back in a holster. I removed the handgun from his waistband and secured it in my vehicle. Childers was searched incident to arrest and a small white Chapstick container was located that contained a small plastic bag containing methamphetamine. Childers also had a utensil believed to be used to ingest controlled substances. The suspected methamphetamine was tested using the TruNarc tester which produced a positive reaction for methamphetamine.

Childers was transported to PPD where he was interviewed by Detectives. I was later informed that Childers admitted to pointing the gun we removed from his person at Ofc Ward.

The handgun was found to be a Ruger LC9s (#328-05527) with a loaded magazine. The firearm was checked in leads and found to not be stolen.

Childers was transported to PCJ by 2A29 for charges related to this incident.

Axon BWC was activated during this incident.

Det Cox contacted Tazewell County for charges of Aggravated UUW, Possession of Methamphetamine, and Armed Violence due to being in Tazewell County during this arrest.

CASE SUMMARY:
10-49 MALE TAKEN INTO CUSTODY, 10-32 LOCATED

On 03-18-2024 at 0850 hours, I was assigned to the Peoria Police Department Special Investigation Division as a Detective. I was in plain clothes, wearing black outer-vest carrier stating "POLICE" on front and back, driving a covert vehicle.

I was made aware of this case by CID detectives and SGT Leach. During the course of the investigation, it was discovered that the suspect in this case, Brian Childers, was possibly at the Par-A-Dice Hotel in East Peoria, Illinois, in room 509. I responded to the Par-A-Dice hotel and did not observe the suspect or his Honda Ridgeline in the lot.

SGT. Leach entered the hotel to speak with staff. Officers were advised by SGT. Leach that Childers' was leaving the lobby area of the hotel and going to the parking lot. I observed Childers exit the front door of the hotel and go to a black in color Harley Davidson. I then advised SGT Leach that Childers was leaving the motorcycle and going back toward the hotel. SGT Leach advised to take Childers into custody prior to reentering the hotel.

I went to Childers' location in the parking lot and exited my covert vehicle. Due to Childers' possibly being armed and pointing a firearm at a Peoria Police Officer within the last few hours, I immediately drew my firearm and pointed it directly at Childers. I shouted "POLICE, DON'T MOVE. GO TO THE GROUND". Childers was told several times, by several officers to go to the ground which he did not comply. I maintained my weapon directly at Childers upper body while giving commands to go to his knees and go to the ground.

Childers' then went to his knees, I ordered Childers to put his hands behind his head. Childers then put his hands behind his head and was secured in handcuffs. Prior to any movement of Childers, I began a pat down of his person. I put my hands around Childers waist and immediately felt a firearm in his waistband, in the small of his lower back. I advised officers by stating "he has a gun". OFC. N. Russell then retrieved the firearm from Childers waistband.

Once the firearm was removed, Childers was brought to his feet. Childers was placed in SGT. M. Lane's squad car.

I then went to room 509 and stood by until relieved by Detective J. Rodgers. CID prepared and executed on the hotel room at a later time.

I then left the scene. BWC flagged as evidence.

CASE SUMMARY:
ASSIST SID MEMBERS, 49 SUBJECT TAKEN INTO CUSTODY.

On today's date I was working as 2C94 as a member of the Street Crimes Unit. I was wearing plain clothes with a black outer vest carrier with the word "Police" on the front and back. I was operating PPD issued covert vehicle #919.

At approximately 0930hrs I was briefed by CID in regards to this investigation. Brian Childers had probable cause for his arrest in regards to this case.

At approximately 1005hrs Information was gathered that Childers was staying in the Par-A-Dice casino hotel located in East Peoria.

I responded to the area and started looking around the parking lots of the hotel and casino. I knew while I was doing this that Sgt. Leach and Officer Russell were going to speak to management in the hotel in regards to this investigation.

I drove to the parking of the casino hotel and parked. When I parked I observed a white male walking outside of the hotel in the general direction of my vehicle. At this time I recognized this male to be Childers. Simultaneously Sgt. Leach aired over our radio that Childers was walking outside.

At approximately 1033hrs it was decided we would make contact with Childers. I followed behind Officer Cowan and could see Childers was walking towards the entrance of the hotel lobby. I exited my vehicle and pointed my department approved firearm at Childers while telling him "Police, get on the ground". I did this because it was known to me that Childers had pointed a firearm at a Peoria Police Officer and it was likely he was still armed. For approximately 2-3 minutes Childers ignored commands by myself and other officers to get on the ground. Childers stood rooted to the ground with his hands in the air stating that he wanted talk all the while ignoring our commands. Childers finally complied and we took him into custody. See other reports for further.

Officer Cowan immediately located listed pistol in a holster on the small of Childers's back. I searched Childers's right side of his body incident to arrest and located a roll of U.S. currency, a suspected narcotic tool, and a white lip balm container that had suspected narcotics in it. See other reports for further.

I later stood by at the hotel room Childers was staying in until it was turned over to other Peoria Police Detectives.

This ended my involvement.

Body cam footage flagged.

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

On today's date, while assigned to the Peoria Police Department Criminal Investigations Division, I was briefed on this case. I met with Officer T. Ward while who advised me of further details involved in this incident. Officer Ward advised me he knew this male and was able to identify from Peoria Police Department incident 24-4007. This male Identified himself as Brian R. Childers on body worn camera during this incident. I had officer Ward come to the Criminal Investigations Division where Pictures of this male were pulled from body worn camera video from Peoria PD incident 24-4007 and well as an Alabama driver's license photo and Facebook photos for Brian Childers. Officer Ward Positively identified Brian Childers as the male who pointed a firearm at him during this traffic stop.

Officer Ward advised after this incident he met with a [REDACTED] 5 ILCS [REDACTED] at [REDACTED] 5 ILCS 140/7(1)(c) - [REDACTED]. He witnessed Childers drop this female off on Starr Street prior to this traffic stop. Officer Ward advised me she knew this male well and provided a phone number and further background information on the male. Detective Rodgers and myself responded to [REDACTED] 5 ILCS 140/7(1)(c) - [REDACTED] where I made contact with [REDACTED] 5 ILCS [REDACTED]. I expressed to [REDACTED] 5 ILCS [REDACTED] I was attempting to locate further information concerning Brian. [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly Unwarranted Invasion of Privacy.

This information was passed along to other Detectives and the Peoria Police Department Special Investigations Division who responded to the Par a dice Hotel and Casino to check for Brian's vehicle. I responded and checked the surrounding area for this vehicle. While in the area Officers witnessed Brian exit the Par a dice hotel and walk to a black Harley Davidson motorcycle parked in the hotel's parking lot. Brian began walking back into the hotel when officer's made contact with him and took him into custody. On Brian's person officers located a black Ruger pistol as well as a keyring with a Honda key fob and a Harley Davidson key fob and key. I took possession of the keys and a blue Motorola cellular phone which Brian had on his person. I asked Brian if he was willing to provide a passcode for the phone which he would not. Other officers responded to hotel room 509 to secure the room for persons and hold the room for a pending search warrant.

I made contact with [REDACTED] 5 ILCS [REDACTED] who is the Par a Dice [REDACTED] 5 ILCS 140/7(1)(c) - [REDACTED]. He provided check in information for Brian and started his staff on collecting video and key card activations within the business.

I returned to the Peoria Police Department where Brian had already been transported for further interviewing. He was secured in interview room #173 with the video recording. At 1128 hours I entered interview room 178 with Brian to interview him further about this incident. I began this interview by gathering his information. I advised Brian I wanted to speak with him further about this incident. I briefly exited the interview room to get Brian a cigarette and returned to speak with him. I told Brian I wanted to hear his side of the story. Brian asked if I

wanted to hear about what happened at the hotel. In order to ask Brian further question I read Brian his Miranda Rights from a department issued Miranda warning card. Brian stated he understood his rights. When asked if he wanted to speak with me he stated "I'm talking to you". The following is a summary of our interview. Brian said he came to Peoria from Alabama due to his father being ill. He stated earlier on this day he dropped a female off at an unknow address in Peoria. I asked Brian what happened after he dropped off the female. Brian stated he then drove home to his fathers house. I attempted to asked him further information about his fathers house when Brian interrupted and asked what he was being accused of. I advised Brian an officer stopped him and during the course of talking to him he displayed a fire arm. Brian responded he "don't remember him [Officer Ward] doing much talking". I rephrased my statement to the course of the the interaction. Brian stated "I'm sure it's on video". I stated to Brian I wanted to hear what happened from his point of view. Brian explain while driving a vehicle blew through the intersection in front of him and he had hit the brakes to avoid hitting the vehicle. He said an officer behind him activated his blue lights and Brian stated he left. Brian said he later stopped in a parking lot up the street where the officer jumped out on him, drew his gun an tried to open the door. I asked Brian what he did at that point. Brian replied "that's when I drew on him". Brian stated he was trying to talk and the officer was not talking to him. Brian stated he then left again. I asked Brian what led him to pull the gun. He said again he was attempting to talk and just wanted to defend himself. I asked Brian if the firearm officers got off of him at the hotel was the firearm he pulled out during the traffic stop. He advised this was the same gun and was the only gun he had. I ended my interview with Brian at 1149 hours. For full interview details see the flagged axon video in evidence.com.

I later responded back to the Par a dice hotel where officers were completing a search warrant on room 509 where Brian had been staying. I took the set of keys which was located on Brian's person to check to see if they fit a locked and chained lockbox in the closet. I arrived at the hotel where Detective Rodgers was holding the room. I tried all keys on the locking chain which did not unlock the chain. I used a set of bolt cutters to remove the chain. The box was then moved to the bed where I tried all keys on the two padlocks on the box. I was unable to unlock the box. I used the bolt cutters to removed the padlocks. I checked the box with contained documents and a wallet which belonged to Brian's 5 ILCS 140/7(1)(c) - . Inside of a toiletry bag Detective Rodgers located 2 large pill bottles and one small pill bottle. One bottle had no label had no label and the other large bottle had a label checking to 5 ILCS . The small bottle appeared to be an over the counter medication but had several different types of pills and capsules. Also in the bag was a zip lock bag filled with a clear crystal-like substance. For testing and safety purposes the substance was left in the bag and transported to the Peoria Police Station along with a large duffel bag containing Brian's property and a garbage bag of women's clothing believed to belong to 5 ILCS

While at the Peoria Police Department I weighed and tested the white crystal-like substance which I believed to be methamphetamine due to my training and experiences. The substance in packaging weighed 18.2 grams. I then tested the a small portion of the suspected methamphetamine in a department Nark II methamphetamine test kit. The kit turned purple indicating the presence of methamphetamine by color. The methamphetamine was then packaged and submitted into the evidence room under tag# 327386.

I later searched the black Harley Davidson which was towed to the Peoria Police Crime Scene Unit sally port. With my body worn camera activated I used the keys to unlock the locked saddle bags. I located no further evidence or contraband inside the saddle bags.

The camo duffle bag containing Brian's property and the locking box was tagged into evidence under tag# 327395.

The bottles of medications was submitted into the property room for destruction under tag# 327396.

I scanned the picture shown to [REDACTED] 5 ILCS into evidence.com and submitted the original into evidence under tag# 327397.

The blue Motorola phone taken off of Brian's person was secured in CCU phone locker 8A. The phone sim card was removed to protect the [REDACTED] contents prior to being secured.

Brian was arrested for Aggravated Assault on a peace officer, Aggravated UUW, Resisting a police officer, armed violence and I issued the listed tickets cited by Officer ward. Brian Childers was transported to the Peoria County Jail by Officer Blaine.

This investigation continues...

On March 18, 2024 at approximately 0830 hours I was assigned to the Criminal Investigations Division (CID) and notified of the incident reported by Officer Terravis Ward (refer to original report for additional information). Officer Ward had obtained the name of a potential suspect he provided as "Brian R. Childers" with a date of birth of (01/25/1979). Officer Ward indicated he had received information that Childers was from the State of Alabama.

Based upon the circumstances I conducted inquiry regarding Brian R. Childers with the provided D.O.B. utilizing LEADS/NCIC/Alabama Driver's License Records on my department PC at approximately 0900 hours. I observed an entry for "Brian Ray Childers" with a D.O.B. of "1/25/1979". The response record contained a corresponding driver's license image maintained by the State of Alabama. Officer Ward was present at that time and advised that the image of Brian Childers provided in the record was the same subject who he had interacted with during the attempted motor vehicle stop.

While conducting further investigation, I conducted a further search utilizing open source social media for any profiles related to Brian Childers. In conducting a search utilizing Facebook I located a profile that appeared to contain images of the same male as observed in the Alabama record response. The account profile was observed to be "Brian Childers" with a url of: 5 ILCS 140/7(1)(c) - Personal Information - Clearly I conducted a preservation regarding data associated with the account that was forwarded to Meta Platforms Inc. via the Facebook LE Portal (case 8535058). Officer Ward was present at that time and also confirmed images of the male on the social media account to be the same subject who he had interacted with during the attempted motor vehicle stop.

I was unable to locate any felony conviction status upon conducting further inquiry into criminal history related data managed by the State of Alabama or the national FBI database.

The State of Alabama image and corresponding Facebook image was uploaded to AXON Evidence.com

Vehicle information was uploaded into the FLOCK LPR system under HOTLIST associated files.

Refer to original and supplemental report(s) for additional information.

CASE SUMMARY:
WANTED SUBJECT ARRESTED FOR WEAPON OFFENSES

Assigned to the Special Investigations Division (SID). Dressed in plain clothes wearing a black ballistic vest with POLICE printed in large white letters on the front and back of the vest. Equipped with an Axon body worn camera (BWC).

SID officers were given information regarding Brian Childers' last known location as the Paradice Hotel in East Peoria. Sergeant Leach advised that he observed Childers in the parking lot of the Paradice and additional SID officers on scene made contact with Childers. Childers was placed under arrest upon my arrival into the parking lot and I was directed to secure room 509 inside the hotel. I was given a keycard to open the room and was later joined by Detective J. Rodgers at the door of room 509. Announcements were made at the door to room 509 and no response was heard inside the room. Detective Rodgers and I conducted a protective sweep of the room finding no one else inside. I stood by at the room until relieved by Officers Cowan and Redpath. I observed several personal items in the room and a protective hard case locked to the clothes rack in the closet of the room, all within plain view. This information was passed along to CID detectives.

Please refer to the original and additional supplemental reports for further information. The BWC footage was flagged in the Axon BWC data system. Please note that this officer reviewed body worn camera footage prior to completing this report. This report is only a summary of the incident and the events may not be in chronological order.

CASE SUMMARY:
10-49 MALE TAKEN INTO CUSTODY, 10-32 LOCATED

On 03/18/24 I was made aware of this incident and checked a telephone number [REDACTED] 5 ILCS [REDACTED] in Cash App that was believed to be Brian Childers. The number came back to Brian Childers in the Cash App with Cash Handle [REDACTED] 5 ILCS 140/7(1)(B) - [REDACTED] 5 ILCS 140/7(1)(B) - [REDACTED]

Det. Cox and I went to [REDACTED] 5 ILCS 140/7(1)(c) - [REDACTED] to speak with [REDACTED] 5 ILCS [REDACTED]. I was wearing my BWC and later flagged the footage. During our conversation [REDACTED] 5 ILCS [REDACTED] advised [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly Unwarranted Invasion of Privacy. [REDACTED] 5 ILCS 140/7(1)(c) - Personal Information - Clearly [REDACTED]. See Det. Cox's supplemental report for details on the identification. We also learned that [REDACTED] 5 ILCS [REDACTED] had been staying with Brian Childers at the Paradise Hotel in room #509 for the past few nights.

I contacted Sgt. Johnston about this information who relayed it to members of SID.

Det. Cox and I went to the area of the Paradise Hotel and started checking adjacent lots for Childer's listed black Honda Ridgeline.

Members of SID advised that they had located Childers out in the parking lot of the Paradise Hotel. See supplemental reports for further information.

Due to Brian Childers recent erratic behavior Ofc. Grice and I went to room #509 to make sure that there was no one injured inside. Once inside the room I observed a camouflage duffel bag on the far bed, and a white plastic garbage bag on the near bed. I also observed a black hard case that had two locks on the case that was also cabled to the shelf in the hotel closet. The room was checked for people with negative results. Ofc. Grice, Cowan, and Redpath stood by at the room until I returned.

I spoke to Sgt. Leach who advised that Childers was observed by the motorcycle in the parking lot. I went to the listed motorcycle and observed IL registration plate [REDACTED] 5 ILCS [REDACTED] which I had dispatch check. I learned that the registered owner of the motorcycle is Brian Childers.

I had my BWC active and stood by in the room while a search warrant was prepared.

At approximately 11:59 hours Sgt. Johnston contacted me and advised that the search warrant had been signed. I then started searching the room.

The white plastic garbage bag was full of women's clothing, which is believed to be owned by [REDACTED] 5 ILCS [REDACTED], as she advised she had been staying in the room with him.

The camouflage duffel bag had a pair of blue jeans and some other men's clothing along with other personal items that are believed to belong to Brian Childers.

A blue zip up toiletry bag was also located inside the camouflage duffel bag that had two pill bottles inside of it with the name of [REDACTED] 5 ILCS [REDACTED] on one of the bottles that was labeled Naproxen. I should note that [REDACTED] 5 ILCS [REDACTED] is the deceased [REDACTED] 5 ILCS 140/7(1)(c) - [REDACTED]. There was also a clear plastic baggie with a white substance that later tested positive for methamphetamines located in this bag. See Det. Cox's supplemental for further on the drugs.

My BWC was flagged and I also took photos and uploaded them to evidence.com.

Det. Cox arrived and tried to open the locks with a set of keys that were on Brian Childers person at the time of his arrest with negative results. Det. Cox then used a pair of bolt cutters to cut the cable so that the hard case could be taken down off the closet shelf. The locks were then cut on the case so that it could be searched. The case was full of paperwork and a wallet that had an Illinois ID inside the wallet with the name [REDACTED] 5 ILCS [REDACTED] on it. See Det. Cox's supplemental for further information.

Investigation continues.

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

When Childers was taken into custody on 3/18/24, \$2,400 in US currency was located in his pants pockets. The currency was in a \$1,500 bundle and \$900 bundle. The money was counted using the PPD money counter and tagged into evidence under tag #327389. Detective Cox indicated that 18 grams of Methamphetamine was located in room 509 and the currency was seized as drug proceeds. Childers was given a seizure form prior to being transported to PCJ.

Information related to the currency was inadvertently left out of supplemental #003.

Report for documentation purposes.

Detective Cox had previously attempted to make contact with the Tazewell County State's Attorney's Office (TCSAO) regarding charging consideration related to the investigation without success (refer to supplemental reports for additional). At approximately 0908 hours this date (3/20/24) I was able to make contact with the TCSAO and forwarded all completed reports to date and provided an AXON Evidence.com link for digital evidence related to the investigation.

At approximately 0939 hours I contacted the Alabama Law Enforcement Agency and received confirmation they has received notice of the investigation disseminated by the Illinois State Police Statewide Intelligence Center (STIC). I further deconflicted and was advised that the agency had no further knowledge regarding any related investigations in the State of Alabama.

Sgt. R McMillen submitted a Clear and Present Danger notification to the Illinois State Police FOID section via online portal.

On 3/19/2024 I transported the garbage filled with women's cloths to 2700 W. Starr to attempt to locate [REDACTED] 5 ILCS [REDACTED]. I made contact with her at this address and showed her the property in the bag. She advised this property did not belong to her. I later tagged this bag of women's clothing into the Peoria Police Department property room under tag#327414.

I received information from [REDACTED] 5 ILCS [REDACTED] of the Illinois Gaming Board concerning Childers and his stay at the Par A Dice. I was advised the Honda ridgeline was last seen on hotel surveillance video leaving the hotel on 3/17/24 at 8:56 p.m. He advised Childers stayed in room 319 from 3/15/24 through 3/16/24. Childers moved to room 509 from 3/16/24 through 3/19/24. They had only one record of Childers playing in the casino which was on 3/15/24. They reported he won \$2156.94.

After completing the search warrant on Childers Harley Davison I responded to the jail to speak with him. On 3/19/24 I spoke with with Childers at the jail concerning his motorcycle. I asked Childers if there was someone he trusted to release the motorcycle to. Childers advised I could release his motorcycle to his [REDACTED] 5 ILCS 140/7(1)(c) [REDACTED] 5 IL [REDACTED].

I later met with [REDACTED] 5 ILCS [REDACTED] at [REDACTED] 5 ILCS [REDACTED]. [REDACTED] 5 IL [REDACTED] agreed to take possession of the motorcycle and secure it for Childers. I had Mr. Towit's respond to the Peoria Police Department and tow the motorcycle to [REDACTED] 5 ILCS [REDACTED] where the motorcycle was released to [REDACTED] 5 IL [REDACTED] along with the key ring and keys which was taken off of Childers.

This investigation continues...

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

On 03-22-2024 at 1559 hours, Brian Childers was taken into custody on outstanding Tazwell County Warrants (Case #24-5605). His vehicle was wanted for impound in this case for ordinance violations 20-107 (Weapons) and 20-109 (Fleeing and Eluding).

The listed Honda Ridgeline was inventoried and I located CCI brand 22 LR bullets in the front glove box. The bullets were taken and tagged into the property room (Tag #327512)

The Honda was towed by Mr. Tow-It.

BWC flagged.

Friday, 03-22-24, I checked out of the PPD property room the sealed plastic sleeve containing the Ruger, LC9s, 9mm handgun, s/n: 328-05527 listed under PPD property tag 327388. The sealed plastic sleeve was opened and the handgun was removed. Two test shots were fired from the handgun and the fired casings from the test shots were collected. One of the fired casings from the test shots was then entered into the NIBIN (National Integrated Ballistic Information Network) system.

The handgun and casings from the test shots were then sealed back in the plastic sleeve and were entered back into the property room.

***CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.***

On 5/6/2024, a digital forensic analysis was attempted on a Motorola mobile device, model XT2215DL, belonging to Brian Childers at the request of Detective N. Cox pursuant to a search warrant signed on 5/6/2024 at 2:50 PM. It was determined the Motorola mobile device was passcode protected and forensic utilities did not support the lock bypass for the mobile device. A digital forensic analysis did occur on the Subscriber Identity Module (SIM) card. A digital forensic analysis report was completed and it is attached to this supplemental report as well as the Cellebrite Reader report titled 24-5253 Motorola XT2215DL (Brian Childers).

On 5/6/2024 at 5:17 PM, the Motorola mobile device was packaged and labeled with evidence sticker #328490 and placed into evidence.

CASE SUMMARY:
T/S IMPROPER SIGNAL X3, SPEEDING, AGG ASSAULT.

I received a copy of the requested forensic download from Detective Rezac. I was advised due to the device, a download of the devices sim card was the only thins possible. I reviewed the downloaded data from the sim card. At this time there appears to be nothing of evidentiary value on the device sim card.

I drafted a search warrant inventory for this search warrant. On 5/7/24 the search warrant and order were signed by Judge Back at 2:12 P.M.

The entirety of the search warrant was forwarded to the Criminal Investigations Secretary for filing with the Clerks office. I was given Efile number 24-MX-424.

I request this case be closed with the arrest of Brian Childers.
